Attached are letters to new Cabinet officers and to the Assistant to the President for National Security Affairs regarding the detail of CIA employees to their departments and agencies. This is in accordance with E.O. 11905.

The letter to Secretary of Defense-designate Harold Brown concerning DDS&T employees who are on detail to the Defense Department is being forwarded separately because of Top Secret classification and special controls.

We assume that the letter to the Assistant to the President for National Security Affairs can be signed and released by Mr. Knoche at this time; and, because of the changing situation at NSC, we would recommend that this be done as soon as possible.

We assume that the letters to the Secretary-designates will be held until they are actually sworn into office.
